

Candidate Details

District	City of Canning
Candidate Name	Kate Elizabeth Fielder BIONDO
Ballot Paper Name	BIONDO, Kate
Nominating for	Councillor for Bannister Ward
Election Type	Extraordinary

BIONDO, Kate

For four generations my family and I have lived, worked and played in the City of Canning. I count many of you as my neighbours, friends, and colleagues. In the coming years, I will count many more of you.

I enjoy volunteering my time, connecting with people and the outdoors including cycling around the Canning River.

After being self-employed for five years, I am now co-owner of Galactic Co-operative. Our technology based business has reduced costs while reducing environmental footprint, making the world a better place and helping other businesses to do the same. I believe our City can do this too.

I will work to ensure the City is open and transparent about its finances, and that Council pursues cost effective and environmentally sound solutions.

I aim to make our City a better place to live, work and play, for everyone and the generations to come.
