Nominating for	<b>Councillor for Bannister Ward</b>
Election Type	<b>Extraordinary</b>

---

## SHARMA, Deepak

My focus will be to work for the long-term benefit of the community and investigate opportunities to lower strain on increasing rates. I will work to ensure that decisions at the Council are made in a sound financial, social and environmentally responsible way.

I have a bachelor's degree in electrical engineering and master's degree in business economics. I have over twenty years of leadership and governance experience working at senior positions in commercial and financial roles (locally and internationally). Currently I am working at the Water Corporation delivering critical infrastructure.

I am an active member of the community, currently serving on the Board of a disability advocacy and financial counselling not for profit organisation. I am also active in local community activities and supporter of the Canning football club. I commit to be your strong voice to address local issues of community safety, improved recreational facilities and better amenities.
