## SCHEDULE OF FEES AND CHARGES 2021/2022

### Appendix 1

#### Waste Reduction - Scale of Charges

The following scale of charges is proposed to enable flexibility in dealing with non-standard waste types, services and / or quantities as may arise during the year.

A degree of flexibility is required so that fees can change if costs change, to allow for large quantities, and to enable a schedule to be applied to any new activities introduced during the year. Fee charged is dependent on activity cost and unit of measure.
