Candidate name	<b>Saraswati VASILE</b>
District	<b>City of Canning</b>
Nominating for	<b>Councillor for Beeloo Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>VASILE, Sara is eligible to stand for election as a resident of the City of Canning.</b>

I have proudly called Beeloo home for 25 years and want to give back to this vibrant community. As a long-term resident in Canning, I have contributed to both local businesses and community. While our community thrives, there is always room for improvement.

If elected, I will focus on **preventing rate** increases, enhancing **safety**, preserving **green spaces**, and promoting balanced growth. **Efficient resource use** and special attention to the welfare of women, youth, children, individuals with disabilities, and our senior community members are also key priorities.

With my background as an Educator, registered Builder, a Masters in Business Administration, and many years of experience in business, community, and education, I have the skills to navigate complex policies and deliver valuable services.

Being a councillor provides a platform to represent our local views in various forums, ensuring our community's interests are heard.

Let's work together to shape a better Beeloo for all.

## **Vasile, Sara for Beeloo Ward**

I am running for council because of my deep commitment to our Beeloo community, which has been my home for 25 years. Over this time, I have witnessed its growth and development, and I believe it's now my turn to give back.

**Local Dedication:** Rooted in Canning, I understand our community's unique character and needs.

**Environment Expertise:** With a background in education, experience as trainer and assessment personnel, registered builder in the construction industry, and a Master's in Business Administration, I have the skills needed to drive positive environmental change.

**25 Years of Community Impact:** Having lived in Canning for 25 years, I have actively contributed to both business and community growth. My commitment to enhancing the Council with dedication and a genuine desire to serve reflects my high regard for Canning residents and every ratepayer.

### **Why Your Vote Matters?**

If elected, I will prioritize your voice, address your concerns, and commit to:

- **Stopping rate increases:** Your hard-earned rates should be utilized optimally. I will oversee the efficient allocation of resources, ensuring they directly benefit our community.
- **Strengthening resident safety:** I will advocate to create a secure living environment, no matter where you reside in our Council.
- **Preserving our green environment:** Promoting balanced growth and ensuring our natural spaces are protected.
- **Special attention:** Prioritizing the welfare of women, children, individuals with disabilities, and our senior community members.

As a council member, I will represent our local perspectives, ensuring community interests are heard.

### **VOTE FOR POSITIVE CHANGE**

Together, we can shape a brighter future for canning resident, one that enriches us all. Your unwavering support is the key to a better community.

Cast your vote, vote **1** for **Vasile, Sara** - the candidate dedicated to fostering a more compassionate community.

Let's nurture our community, together.
