My name is Graham Barry, I am nominating to serve you as Councilor of Mason Ward. I don't support Party politics or Groupthink in Local Govt. I'm an Independent, experienced in Local Govt and the L G Act 1995. My only affiliation would be You, the Community of Mason and the broader Canning Community. Along with Keren, we raised 3 daughters and been a small business owner in Canning for over 30+ years. On your behalf, I promise you, diligent scrutiny and representation on Budget formulation, Consultation, Employee costs and Particularly Rates which have been above CPI in recent years. I believe they are excessive and Unwarranted. Council should not be involved in Commercial speculation. All Tenders should Open so we are seen as Transparent and Accountable always. We should protect our Core Services, not diminish them. No level of Crime should be tolerated or excused. Ratepayers should be encouraged to attend meetings and question Officers or Members.

If it's your wish, Vote Barry 1.
