Vote for a proven and tested Councillor of Canning. Vote JJ

For around the last 12 years I have lived and worked in the great Canning ward of Mason. Since 2015 It has been my honour to represent you and our other hard-working residents at the City of Canning Council. In addition, from 2019 to 2021 I was the Deputy Mayor of the City of Canning.

We have already done much together including modernisation of your local parks and a streamlining of council services through its website.

I am most pleased to report that during the last 8 years I have provided most robust representation to our residents. My thinking is simple if you have a problem with a council related issue, you call me, and I then try and fix it.

I am asking for your vote again because we have unfinished work in our City. We need to ensure that City debt is reduced, we need to ensure rate rises stay low and we need to make sure Canning City stays accountable to its ultimate boss, you the resident and ratepayers of Canning!
