I am excited to announce my candidacy for the upcoming council election for Mason Ward. My Name is Shammi Kumar and I came to Perth in 2007. I have lived in the same ward for the last 14 years. I am married and father of two sons. My elder son is blind and younger is a Police Officer in Western Australia. I am a post graduate from Punjab (India).

I am a genuine family man who cares, listen and understand the community's issues. I wish to bring positive change to the City of Canning. Especially in my Mason Ward by doing the hard work and using my life experience.

I volunteer for state and federal elections to learn new things. As an active community member, it is truly humbling to work with the community that has given so much to me and my family.

Presently I am working in MSS and am also an active member of "Indooz" Channel.

I need your support. Please talk to your family and friends. Collaboration is very important, and I will continue to seek your opinion and priorities.
