Elect - Peter Clayton as Mayor

I have been involved in a number of very successful businesses.

And Company Director of a number of companies.

- 1) **I will not take any salary**, only bare costs incurred due to my duties as Mayor, I regard the honour of Mayor sufficient.
- 2) To request from fellow councillors for a **full forensic audit** of the finances and operations by an external accounting firm.
- 3) My aim is to freeze rate rises to zero increases through more efficient management.
- 4) Reduce the city debt to zero during my 4 year term.
- 5) Encourage dialogue and encourage resident's associations.
- 6) Will not issue defamation proceeding against residents.
- 7) Mayoral car to be a small possible electric car.
- 8) Oppose councillors receiving superannuation as they are not employees.
- 9) I realise that every one is hurting by inflationary pressure and the City of Canning has to do it's bit as well, to keep costs down for residents and rate payers.

My Name is Peter Clayton - running for Mayor of City of Canning.

I have been both an employee and an employer.

After leaving school I became a partner in a farming business - wheat and sheep.

I served in the Australian Armed Forces. 4 RAR Infantry Battalion.

I worked in the insurance industry as insurance inspector.

Then returned and became a very innovative and successful farmer.

I was a Bush Fire Brigade member and Captain.

I served as a Councillor on a small but extremely efficient Broomehill Shire council.

Other Councils were envious as we had the lowest rates, best roads and facilities compared to surrounding councils.

Moved to Rossmoyne in 1995 for schooling of my children.

I am still a company director of a number of successful companies.

I am very passionate about plastic recycling and started a company solely dealing in plastic recycling - recycling chemical drums, polystyrene shrink wrap, and other plastics.

I am a former President of the Riverton Rossmoyne Shelly Residents Association.

I belonged to Junior Farmers , JC's, later Lions and then Rotary doing charity work in my the community,

I have been active in local golf club, tennis clubs and bowling club.

I was heavily involved in the financing and Construction of the Broomehill Recreational Complex.

I was heavily involved for working to get a better deal for disabled returned Veterans over some ten years.
