My name is Raveesh John and I've been raising my young family right here in Canning Vale. My passion for serving the community was instituted from early on as a nurse with 18 years of experience as a frontline worker.

I'm a Justice of the Peace and have been an active community member for many years. I'm involved in many local clubs and have held positions in various organisations.

Our health is of utmost importance and is my priority for the community. I will work towards more facilities as well as resources in local parks for all age groups. I will also advocate to reduce rates and improve cost of living. Furthermore, I'll guarantee that the Council is held accountable for every dollar of taxpayers' money spent.

If I am elected, I will conduct myself with honesty and I'll ensure a sense of integrity and principle within the Council. I promise to be visibly active within the community and voice your concerns. I'll be your representative for nurturing an inclusive, sustainable future.
