GLEESON, Bill

The experience to deliver and to stand up for our community

I've lived in Riverton with my wife Valerie close to 50 years. Our three children attended the Riverton Primary School and Willetton Senior High School.

Self-employed in the city of South Perth for 49 years, elected to the City of South Perth 1978-1990, City of Canning 1992-1995. This election is about who can best represent you, my community involvement, experience and knowledge of local government will be your voice.

I'm aware of the ongoing debate and the pros and cons of the future of the Shelley foreshore given the City of Canning unveiled three final concept plans residents should provide their feedback to the City Council.

I support the concerns of SNAG that the air service Australia must share the airspace noise evenly across different suburbs.
