Nominating for	Councillor for Bannister Ward
Election Type	Extraordinary

TAYLOR, Geoff

Who am I?

A longtime Riverton resident whose family attended Brownies, Scouts, the Rivo Roos and junior cricket club, in Riverton, Rossmoyne and Shelley. We ran a family occupational health and safety business for many years.

Retired as Curtin senior academic. Public/business administration qualifications. Federal and state government committee experience.

Member and former committee member Herald Ave Seniors Club. Local church member. Former committee member Riverton Rossmoyne Shelley Ratepayers Association.

Developed an online site for ideas on Leach Hwy, and a submission to the government's Leach Highway inquiry.

Longstanding involvement, privately and publicly, in public interest matters.

Former political candidate; no current party affiliation.

Why stand?

To add to effective independent representation for Bannister Ward and ensure continuing

good governance in the Council.

Among ways forward, I would like to investigate options for the area's main drains, add to footpaths and cycleways and pursue further installation of underground power.
