SPENCER, Amanda

As an experienced small business owner, long-term resident of Rossmoyne, a volunteer in community based not-for-profit organisations, and with children currently attending schools in both Rossmoyne and Willetton - I understand the local issues that are important to us all.

I have been an active member of the Community for many years and currently serve as President of the Rossmoyne Community Kindergarten. During my four years here I have been responsible for obtaining funding and project managing major upgrades including building renovations, the establishment of a nature playground, and negotiating lease terms with the City of Canning.

As your Councillor I will act with honesty and integrity. I will work tirelessly to improve the delivery and effectiveness of council services and create a safer community for all residents of Riverton, Rossmoyne, Shelley and Willetton.

I look forward to the opportunity to represent your interests and serve our community.
