**Has your bin been missed?**

Please contact Customer Service on our website at www.canning.wa.gov.au/Residents/Waste or call 1300 422 664.
The Household Hazardous Waste (HHW) Program provides funding for the collection and appropriate disposal of HHW collected at the Waste Transfer Station (Lot 502 Ranford Road, Canning Vale). At this site the public can drop off their unwanted HHW for free, even if they are not a resident of the area.

Accepted materials through the HHW Program:

- Acids and alkalis
- Aerosols
- Batteries (household)
- Engine coolants and glycols
- Fire extinguishers; non-halon (red) only
- Flammables
- Flares
- Fluorescent lamps and tubes (CLFs)
- Gas cylinders (small household 9kg)
- Household chemicals (e.g., cleaners)
- Paint
- Pesticides/herbicides
- Poisons/toxics
- Pool chemicals
- Smoke detectors.

Unknown chemicals are accepted but must be in sealed chemical resistant containers. The program can only accept domestic quantities of materials (no larger than 20kg/20L per material type).

Bulk Junk Verge Collection

Household Junk

Material is not to be placed on the verge more than two days prior to the collection commencement date for household junk.

Only the following material will be removed:

- Furniture and furnishings
- Household junk.

The following will NOT be removed:

- Green waste
- Bricks, rubble, concrete, sand or other building waste
- Bagged domestic waste
- Liquids of any kind, such as paint
- Gas bottles of any size
- Motor vehicle parts including tyres
- Any asbestos containing material
- Plate glass, such as windows and shower screens and outdoor furniture containing glass.

The above items may instead be disposed of at the Waste Transfer Station.

White goods are not included as part of the bulk household junk verge collection.

For information regarding our on demand white goods collection service and the Waste Transfer Station please visit our website.
Green waste material is not to be placed out on the verge more than seven days prior to the commencement date. Only tree and shrub prunings that comply with the following will be removed:

- Individual green waste should not exceed 1.5m in length nor weigh more than 16kg
- Green waste to be less than 150mm in diameter
- Maximum volume 6m³

The following will not be removed:

- Lawn and weed sods, stumps or tree roots
- Bags, boxes or bales of green waste.

Please note: The City does not have any arrangements with commercial contractors to undertake private residential green waste pruning. Where residents choose to utilise the services of commercial contractors to undertake residential green waste pruning, it is the resident’s responsibility to ensure they comply with the requirements of the City’s green waste collection.

Waste Transfer Station

Address: Lot 502 Ranford Road, Canning Vale | Opening Hours: 8am-4:30pm
Seven days a week (excluding Christmas Day, New Year’s Day and Good Friday)

City of Canning residents can dispose of domestic quantities of recycling, as well as eWaste, such as televisions, computer monitors, parts and laptops, for free.

The Waste Transfer Station also accepts the following types of waste for a fee:
