

PLAY CENTRE

(Cannington Leisureplex only)

The two level indoor playground is designed for children aged 0 to 8 years old.

Colourful and safe, the area includes two large slides, a small flying fox and a super fun ballpit. There's also a separate play area for tiny tots.

Parents/caregivers can join in the fun at the Play Centre. Alternatively, take a seat in our parents area and enjoy a coffee and a bite to eat.

PARENT GROUPS

The Play Centre is an ideal place for parent groups, play groups and kindy groups.

Come along and enjoy some quality time with your child/children and friends in our Play Centre
