

City of Canning

A welcoming and thriving city

Tender Opening Register

Request 12/2017 for
One (1) New 6x4 Can Chassis
Truck With Transferred Rear
Loader Waste Compaction
Body

1. Introduction

Under the *Local Government (Functions and General) Regulations 1996*, Part 4, Division 2, Regulation 17, the City of Canning is required to capture information regarding its public tender processes and to ensure they are made publicly available.

To align with the City's stated objectives of ensuring its business relationships are transparent, honest, fair, ethical and consistent, the below information regarding a public tender process is released via the external website, and made available to all.

This information will demonstrate the key dates within the Public Tender process, the responses received and upon award the identity of the successful Tenderer.

2. Tender Details

Tender Details	
Tender Number	Tender Title
12/2017	One (1) New 6x4 Cab Chassis Truck With Transferred Rear Loader Waste Compaction Body
Description of Goods and/or Services Required – Reg 17(2)(a)	
The City is seeking a provider to supply and deliver one (1) new 6x4 cab chassis truck. The provider is also required to remove the waste compaction body from an existing City of Canning vehicle, completely restore, rebuild and then transfer the refurbished waste compaction body onto the new chassis. The unit will be used within the City of Canning for kerbside hard and green waste collection. It will be required to compact materials such as tree branches, vegetation and a varying array of domestic hard waste items and transport to waste disposal sites. The unit will also be required to tow a 5,000 kg (max payload) plant trailer, used for transporting a 3,000 kg tare weight front end loader around.	
Particulars of the Decision to Invite Tenders – Reg 17(2)(b)	
The Director, Canning Environment has exercised Delegation 19 Inviting Tenders, to publicly advertise this procurement as a Tender due to the expectation the total contract value will be in excess of \$150,000 and to enable a broad number of potential suppliers to submit offers

EXPRESSION OF INTEREST

EOI for Electricity Microgrid (Peel Business Park)

LandCorp is seeking proposals from suitably experienced electricity industry providers to work with LandCorp and others to develop a renewable energy microgrid, to service the electrical power needs of the Peel Business Park (PBP), Nambury, WA.

Initially, the microgrid will service LandCorp's 120ha landholding within the PBP, but this will be extended into the full 1,000ha of the PBP with subsequent uptake from the other PBP landowners.

Following registration as a supplier, the EOI document can be downloaded from the following website link: <https://www.tenderlink.com.au>

EOI Closing:
 9 February 2018 (AEST) 5.15 PM
 Tender Number: LANSC-192883
