

# City of Canning

A welcoming and thriving city

Tender Opening Register

Request 55/2018 for  
Sill Park Upgrade

## 1. Introduction

Under the *Local Government (Functions and General) Regulations 1996*, Part 4, Division 2, Regulation 17, the City of Canning is required to capture information regarding its public tender processes and to ensure they are made publicly available.

To align with the City's stated objectives of ensuring its business relationships are transparent, honest, fair, ethical and consistent, the below information regarding a public tender process is released via the external website, and made available to all.

This information will demonstrate the key dates within the Public Tender process, the responses received and upon award the identity of the successful Tenderer.

## 2. Tender Details

Tender Details	
Tender Number	Tender Title
55/2018	Sill Park Upgrade
Description of Goods and/or Services Required – Reg 17(2)(a)	
<p>Sill Park is an existing park with an area of approximately 5400m<sup>2</sup> (including verges), bordered by three (3) local roads; Sill Street, Earl Street and Beveridge Street. The demographic profile of the area has changed markedly since any significant work was done on the park and it is in need of upgrade.</p> <p>This small park is located in close proximity to both Curtin University and Canning College. This leads to the surrounding streets constantly being congested by car parking. People often short-cut through the park but do not linger as most furniture and equipment is old, and the park no longer meets community expectations.</p> <p>The site also lies within the catchment of the proposed Bentley Regeneration Project (Bentley 360). This is the larger redevelopment project under the management of the Department of Communities and has the potential to change the social and infrastructure dynamic in the area, potentially impacting on how the surrounding land will be developed. Sill Park is one of a number of Public Open Spaces (POS) which are earmarked for infrastructure improvement in the area around the Bentley 360 project.</p> <p>The objective is to create a more attractive, functional and appealing space for the local community.</p> <p>The construction of Sill Park is expected to be completed by June 2019, follow by a 12 week maintenance period.</p> <p>The resultant contract will be awarded to a single Contractor to satisfy all requirements.</p>	
Particulars of the Decision to Invite Tenders – Reg 17(2)(b)	
The <b>Director, Canning Environment</b> has exercised Delegation 19 Inviting Tenders, to publicly advertise this procurement as a Tender due to the expectation the total contract value will be in excess of \$150,000 and to enable a broad number of potential suppliers to submit offers	
Advertised in <i>The West Australian</i>	Submission Closing Time and Date
<b>Wednesday, 16 January 2019</b>	2:30 PM on <b>Tuesday, 12 February 2019</b>
Copy of the Advertisement Attached - Reg 17(2)(d)	External Probity Advisor Engaged
