Road Profiling Services

## 1. Introduction

Under the *Local Government (Functions and General) Regulations 1996*, Part 4, Division 2, Regulation 17, the City of Canning is required to capture information regarding its public tender processes and to ensure they are made publicly available.

To align with the City's stated objectives of ensuring its business relationships are transparent, honest, fair, ethical and consistent, the below information regarding a public tender process is released via the external website, and made available to all.

This information will demonstrate the key dates within the Public Tender process, the responses received and upon award the identity of the successful Tenderer.

## 2. Tender Details

Tender Details	
Tender Number	Tender Title
27/2018	Road Profiling Services
Description of Goods and/or Services Required – Reg 17(2)(a)	
The City requires Contractors to Tender for Road Profiling and Associated Works. Road profiling involves the profiling and removal of asphalt and in some cases pavement layers utilising rotary milling machines in support of road reconstruction or road resurfacing. For new construction works, profiling is also required to complete the tie-ins between existing road and new. This is a specialist sub-contracted scope.	
Particulars of the Decision to Invite Tenders – Reg 17(2)(b)	
The <b>Director, Canning Environment</b> has exercised Delegation 19 Inviting Tenders, to publicly advertise this procurement as a Tender due to the expectation the total contract value will be in excess of \$150,000 and to enable a broad number of potential suppliers to submit offers
